THE MINISTER OF STATE INTHE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DR. (SMT.) RITA VERMA): (a) to (e) The Government is aware of the mushrooming of coaching institutions mainly meant for preparing students for competitive examinations including JEE for admission into the HTs and other professional programe in the country. Various malpractices indulged in by some of them have been reported in the media. All coaching institutions except those meant for coaching SC/ST students for competitive examinations are in the private sector and have no linkages with the Govemment. There is no proposal to regulate such institutions. Instead the Govemment has taken several steps so that students do not have to undergo any special coaching for appearing in such competitive examinations. These include:

(i) Holding common entrance tests. The Govemment has already taken initiative to conduct an All India Engineering Entrance Examination (AIEEE) for admission to undergraduate programmes in engineering, architecture and pharmacy.

(ii) Conduct competitive examinations on the basis of syllabus and on similar pattern as the qualifying examination. Accordingly, the Govemment has advised the HTs to make suitable changes in JEE.

Thcsesteps arc expected to reduce the menace of coaching institutions.
